COURSE TITLE

ISO 14001:2015 EMS & INTERNAL AUDITOR TRAINING

Introduction

ISO 14001 is an internationally agreed standard that sets out the requirements for an environmental management system. It helps organizations improve their environmental performance through more efficient use of resources and reduction of waste, gaining a competitive advantage and the trust of stakeholders.

Course Fee

Member: $684.52
Non-Member: $758.64

*All fees stated are inclusive of Registration Fee & 9% GST

OBJECTIVES

- To equip the participants with the basic knowledge and skills to interpret and to integrate the new requirements into their current Management System effectively.

- To enable the participants to conduct their internal audit in accordance with ISO 19011:2011 Guidelines.

SINGAPORE QUALITY INSTITUTE

WHO SHOULD ATTEND

This program is designed for Top Management, Managers, Engineers, Production & QC/QA Supervisors who are involved in auditing or various Management Systems activities.

The appointed auditees are also recommended to attend the above program with a view to equip them with the necessary audit now-how and audit checklists in preparing for their internal audits exercise effectively.
