

ISO 9001:2026 QMS & INTERNAL QUALITY AUDITOR TRAINING

Objectives

This course is designed for anyone who wishes to learn and know more about the ISO 9001:2026 Quality Management System which includes the standard requirements and to equip participants with the skills and knowledge on the audit methodology for the ISO Quality Management System.

Trainer

This course is conducted by registered lead auditors with IRCA, UK with past certification background and who have accumulated many years of conducting audits on various industries both in Singapore, Malaysia, Indonesia, China, Taiwan and in the region. With the practical case reviews specially arranged, the participants can appreciate the skills learnt through effective conducting and reporting of an audit against the ISO 9001:2026 standard requirements.

Duration

2 days | 9am – 5pm | 14 hours

Who should attend

Top management, system implementers, management system auditors, appointed lead auditors / auditors and any personnel who wish to gain an in-depth understanding of internal auditing to meet the requirements of the new ISO 9001:2026 standard must attend. Departmental personnel who are appointed as internal auditor or representative in the ISO 9001 committee and wish to understand how auditors approach an audit based on the Total Quality approach are also encouraged to attend.

Course Fees

Member: \$684.52
Non-Member: \$758.64

All fees stated are inclusive of Registration Fee 9% GST

Award of Certificate
